EC-Certificate of Conformity

0672

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the

construction product: **Light composite wood-based beams and columns for structural use (Trade names: STEICOjoist and STEICOWall)**

produced in the factory: **STEICO Sp. z o.o., 64-700 Czarnkow/Poland**

by the manufacturer: **STEICO SE
Hans-Riedl-Straße 21
85622 Feldkirchen/Germany**

is submitted by the manufacturer to a factory production control and that the notified body

**Materialprüfungsanstalt der Universität Stuttgart
MPA Stuttgart – Otto-Graf-Institut (FMPA)
Postfach 80 11 40
70511 Stuttgart/Germany**

has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

The certificate with the number

0672-CPD-I 14.23.2

attests that the aforementioned building product complies with the requirements of the European Technical Approval

ETA-06/0238.

Hence, the company is entitled to label the building product of the manufacturing plant STEICO Sp. z o.o., 64-700 Czarnkow/Poland, with the EU conformity marking (CE-mark).

This certificate was first issued on 31.01.2007 and remains valid as long as the conditions laid down in the European Technical Approval in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.
